

## RECENT OPERATIONS

By Paul Rardin

I had a card from the Ira Yorks this week. They are still in Atlanta but the card says they still suffer from "muck itch" once a week when they wait for the mailman to bring their weekly copy of The Everglades News. They extend greetings to their many friends in the Lake Okeechobee Region.

On the East Coast last Sunday I saw a sign that read: "Swig at Swag's."

I saw another sign in a large grocery store window. It said: "Canned milk for babies only. Must have birth certificate."

## \$1137 Cash Raised In 3-Hour Drive For Pahokee H. S. Band

For many hundred weeks I have had the pleasure and privilege of writing stories that chronicle the history of the Lake Okeechobee Farming Region. Every now and then there comes opportunity to write a story that gives me an unusual amount of pleasure—and such is the one I'm writing here.

It has to do with one of my pet projects—the Pahokee High School Band. As you read this (providing you read it on Friday) members of the band are in St. Petersburg participating in the State Music festival—a gala occasion in the life of any band member in the State of Florida.

A huge Tamiami Trails Tours bus left Pahokee Thursday morning with members of the band—headed for the state festival. Money had been provided for their expenses during the three day visit. The bus was secured at a reduced cost through the financial wizardry of Carmen Salvatore.

A few days ago Principal Caudill told Pete deMoya and me that it would take one thousand cold cash dollars to see the band through another year—this amount including the trip to St. Petersburg. Pete and I pledged Mr. Caudill that we'd do our best to get the money—and we did—thanks to the big-hearted public of the Pahokee-Canal Point community.

After the band concert Monday night we worked for half an hour getting checks signed by donors. Then came Wednesday morning and Mr. deMoya had an RDB membership drive on his hands, so I took to the streets single-handed. At the end of two and one-half hours I turned over to Mr. Caudill exactly \$1,000 in cold cash and pledges for \$137 which have been paid since.

It was the most interesting piece of work I've done lately. The record time of three hours for the entire drive shows the splendid cooperation received.

## 62 HORSES SHOT

Assistant County Agent H. L. Speer announced yesterday that the county veterinarian innoculated 62 horses in the Pahokee-Canal Point area Wednesday against brain fever. A like campaign was conducted in Belle Glade, South Bay and Lake Harbor on Thursday.

## VISIT IN ALABAMA

Mrs. T. C. Richardson and sister, Miss Rethelle Logan, will leave Sunday for a two weeks visit in Wetumpka, Ala., with their mother, Mrs. M. D. Logan.

## Vets Organize New Political Group At Monday Meeting

Returning service men, without exception, are happy, very happy to be back home with their loved ones once again but few, if any, have, after taking a look around, expressed any happiness about the manner in which their country is being run these days. Veterans of the Pahokee-Canal Point area decided to do something about the confusing mess in which they find themselves. At an enthusiastic meeting in the city hall Monday night they took preliminary steps to form a new political organization, known as the Veterans' Progressive Organization, with more than 50 veterans taking part in the discussion of the principles, development and ultimate goal of VPO.

The proclaimed purpose of VPO is "to encourage clean, progressive politics in community, county, state and national affairs and to promote in every way possible the general welfare of the community and the country as a whole." Veterans of other communities, learning of the VPO movement, have expressed their desire to join the organization and it is the tentative plan of the local organizers to extend activities on a national scale.

Temporary officers elected were Claude Jones, president, and Herman Kautz, secretary and treasurer. These two officers will serve on a temporary board of directors together with Melvin Pugh, L. V. McClelland, Mike Sanders and Stoffer Brewster. The board of directors will draw up a charter and complete organization plans.

All veterans of World Wars I and II living in this area are expected to attend the next meeting of VPO at the city hall on Monday April 8, at 7:30 p. m., at which time there will be an open discussion of city, county and state candidates running for the May 7 election, following which a straw vote for the candidates by secret ballot will be taken and those candidates receiving a majority of votes will receive the public support of VPO. Results of the straw vote will be announced on Tuesday of next week.

In commenting on VPO, President Claude Jones said, "Every community in our nation needs a political organization such as the Veterans' Progressive Organization is going to be. Although organized by veterans, it is strictly a non-partisan organization and will back candidates which it honestly believes will do the most good for the community and country, veteran or non-veteran, Democrat or Republican. Ours will be positive action. We will avoid adverse criticism of candidates we do not see fit to support, and strive for clean politics, free of fraud, graft and mud slinging of any sort."

## DUBOSE QUILTS PAHOKEE

W. M. DuBoise, vocational teacher in Pahokee school, tendered his resignation to the board of public instruction on Tuesday of this week. The board accepted Mr. DuBoise's resignation. The board is negotiating with a former, age teacher, for his return to the Pahokee school set-up.

## TRANSFERRED

Major P. Andrew Keyes has been transferred from Cochran Field, Macon, Ga., to Coral Gables. Mrs. Keyes and daughter, Andrea, are visiting her parents; Mrs. and Mrs. R. W. Sanders, in Pahokee while Major Keyes is attempting to find a home for his family in the Miami area.

## To Speak In Glades

Spessard Holland, Florida's most popular ex-governor, will speak twice in the Glades next week in behalf of his candidacy for the U. S. Senate. On Monday night at 8:00 he will appear in Belle Glade and at 10:30 a. m. Tuesday he will speak in Pahokee. Then, on Tuesday night at 8 o'clock, Governor Holland will speak in Flagler Park in West Palm Beach.

## Gant Asks Voters To Re-Elect Him As Chief Of Police

This week's paper carries the official announcement of Albert Gant in which he asks for re-election as chief of police in Pahokee. Mr. Gant has served one term of two years and is asking re-election upon the record he has made in office.

The chief points to the record made in the school zones since he has been on the job—not a child has been injured. He says that his department will make an effort to maintain this record in the future, if he is re-elected.

Mr. Gant served four years as constable before he was elected Pahokee chief. His one promise, if elected, is to make the department more efficient, showing partiality to none but courtesy and justice to all.

Horace Unwin, former councilman, is a candidate for council in group two in which the other candidates are A. I. Davis and Don Hillier. T. C. Dick Richardson has filed his intention of seeking the office of mayor and his petition is in the hands of the clerk.

W. P. Walker, clerk, who has served the City of Pahokee 12 years, this week made known his intention of seeking re-election.

## Lt. Howard Tiffin Visits In Pahokee

Lt. Howard P. Tiffin, former resident of Pahokee, is visiting relatives here this week. Lt. Tiffin has re-enlisted in the Army for overseas duty until June 30, 1947 after 39 months in the service and 17 months overseas in the European theatre. He is a paratrooper in the 508th Parachute Inf., 82nd Airborne Div., and participated in the Ardennes, Rhineland and Central Europe campaigns. He has five ribbons with three campaign stars and was awarded the Silver Star medal, a presidential citation and the Belgium Four de Guerre. At the end of his 30-day leave he will report at Camp Kilmer, N. J., before returning to Frankfurt, Germany, where he is a member of the honor guard at the U. S. Army Headquarters.

Bobbie Joe Sanders fire chief at the shipyard in Panama City, spent a couple of days this week in Pahokee with friends and relatives.

## Clerk's Office In Court House—A Bee Hive Of Industry - Has Outgrown Quarters

### PRINCIPALS RENAMED

At the Tuesday meeting of the board of public instruction principals were chosen for the next school year. In the Everglades section of Palm Beach county the following principals were renamed to their present positions: Mrs. Wilma Lence, Canal Point; Dennis Caudill, Pahokee; Frank Hobson, Belle Glade. Heads of South Bay and Lake Harbor schools will be appointed when recommendations are given the board by the local trustees.

Circuit Clerk Alex Arnette's office in the court house is a busy place these days—with another real estate boom in the making. Instruments are being filed by the hundreds each day and workers in the office are swamped day to day with the ever-present surge of incoming papers to be filed in the archives of county records.

In the good year of 1933—when Roosevelt took office as president of the United States—there were filed in the clerk's office of Palm Beach county a total of 3,977 instruments. In the following year business picked up a little and the total number filed ran up to 6,722. For the next five years the average was about the same until 1940 when the total reached 12,156.

During 1941, 1942, 1943 and 1944 the number of instruments averaged around 11,000 and then came the boom year of 1945 when 19,360 papers were handled by Mr. Arnette and his crew of very efficient workmen.

The clerk's office is jam-packed with records and there isn't a spec of space left for filing cabinets. County Commissioners are scratching their heads in an effort to figure out more space for records and more work room for the ever-increasing force in the clerk's office. The present office was built for a county of 50,000 population and now is making a valiant effort to serve 112,000 persons in one of the state's fastest growing and most prosperous counties.

## Frank O'Connell Installed By Elks As Exalted Ruler

Pahokee Lodge No. 1638, B. P. O. E. held its annual installation of officers last night in the lodge room. Frank O'Connell was installed as exalted ruler of the lodge. T. S. Kirk was renamed as secretary and Parker T. Wilson was chosen as treasurer.

Harold Rosenberg assumed the post of leading knight while Otto Bleech took up the duties of loyal knight and Leon Spooner became lecturing knight. Trustees of the lodge are: E. L. Pope, Tolly Youngblood, A. R. Rice, B. Elliott and W. H. Vann. Mr. Vann was re-elected for a five year term as trustee.

The house committee named to take over with installation of new officers is composed of Orin Bacon, O. L. Flynn and C. A. McIntosh. L. J. Fraser was named representative to the grand lodge.

The lodge now has a membership of around 250 members.

## School Board Buys Six New Busses

The Board of Public Instruction authorized the expenditure Tuesday of more than \$20,000 for the purchase of six chassis to be assembled as school buses when delivered. The board said it could secure the bodies elsewhere after the chassis arrive, since George Hopkins, transportation supervisor, had recommended this procedure.

The board authorized purchase of three chassis at \$2,553 each and five at \$2,355 each through the Faircloth Truck and Tractor Co.; and one one-and-a-half-ton chassis from the Twin City Chevrolet Co. at \$1,056.

The orders were to be subject to delivery before August 1, and an estimated delivery date within 20 days.

## Pioneer Resident Died Wednesday

Thomas J. Mead, 79, died at his home in Pahokee Wednesday afternoon after being ill for several months. Mr. Mead became seriously ill recently and the end came after several days of illness from which it was known that he could not recover.

The body has been sent to Plattsburg, N. Y. for burial by Berry's Funeral Home. Funeral services and burial will be held in that city.

Surviving are two sons, George Mead of Pahokee and Thomas E. Mead of Plattsburg, N. Y.; one daughter, Miss Mabel K. Mead of Orlando; a grandson, Thomas E. Mead, Jr., of Plattsburg.

Mr. Mead was a retired plumbing contractor and had been a resident of Pahokee since shortly after the first World War.

## Band Comes To Glades Monday And Tuesday For Talks

Spessard L. Holland, candidate for U. S. Senator, will bring his campaign to the Lake Okeechobee Region on Monday and Tuesday of next week as he swings into the lower East coast for speeches. He has two talks scheduled in the Glades next week.

The itinerary of the ex-governor calls for a speech in Belle Glade at 8:00 p. m. on Monday night and another talk in Pahokee at 10:30 a. m. Tuesday morning. He will go to Flagler Park in West Palm Beach on Tuesday night for another of his campaign speeches where a large crowd is expected to hear him.

In his talks supporting his candidacy the former governor has indicated a keen appreciation and analyses of national affairs, giving at the same time a clear picture as to how Florida is influenced by problems of national scope. This has been reflected in his discussions of unemployment and old age insurance programs, agriculture, world trade and diplomatic relations. A veteran himself of the first World War and with two sons who served in World War II, he drew keen interest from his audience everywhere when he touched upon the problems of the veterans, declaring at one time, "the war finished business which is the gives us another big field of unwinning of proper care to our wounded and handicapped veterans and to our war orphans and dependents."

## RED CROSS DRIVE

Rev. C. A. Moberg reports receiving a few additional gifts for the Red Cross Fund, and is appreciative of the response thus far. There is very little likelihood of the quota of \$4250 being met, however, "every little bit added to what we've got makes just a little bit more", hence the campaign will extend into next week, Friday being the deadline, that all might be given that last opportunity.

## Dixie Is Rolling In Built Up Cash

WASHINGTON — Dixie once was happy if she had dimes to jingle, but today she's literally rolling in money — \$22,779,850,000 worth of it. That is the total of bank deposits in 13 southern states, and \$16,965,818,000 of it is credited to individuals, partnerships, corporations and governmental subdivisions.

The year 1941, except for beginning of the war, looked like mighty good year to some people. But bank deposits a mere five years ago were chicken feed, compared with those of today. Then, figuring in local and everything else, deposits totaled \$8,648,881,000. If that looks bad by comparison, remember 1933, when the same 13 states had only \$2,763,734,000 on deposit and bank assets were worth only \$4,029,562,000. The year 1933 was the "bank holiday."

Farm prices are up now and defense industries have poured millions into southern coffers, but a lot of those war-built industries are continuing operations on civilian production and the agricultural outlook in anything but dim. Fiscal experts foresee no appreciable slump this year, and possibly none in 1947.

They point out that despite the fact that the European war ended in the spring and the Pacific conflict in the autumn, deposits on last Dec. 31 were approximately \$4,000,000,000 more than on the same 1944 date.

State, city and county governments, which had a total of \$1,196,661,000 on deposit at the end of 1945, are expected to dig deeply into their bank accounts to finance long-delayed construction and repair, and many corporations likely will do the same. Individual deposits, reflected primarily from earning power, might even jump. Wages generally have moved forward in the South, as elsewhere.

Gov. Ellis Arnall, of Georgia, recently urged the South, now that it's in a position to do so, to "finance itself," instead of continuing to look to Wall Street.

Six of the 13 states, which the treasury department lists as "southern," have more than \$1,000,000,000 on deposit, and Texas, out where cotton and oil mix, has \$4,934,773,000. Others in the billion-dollar class are Virginia, Georgia, Florida, Tennessee and Louisiana.

## Better Leave 'Em Alone

Before voting to establish daylight saving time in West Palm Beach, members of the City Commission would do well to give consideration to the confusion and inconvenience that will ensue unless the surrounding towns follow suit.

For all practical purposes West Palm Beach, Palm Beach, Lake Worth, Riviera Beach and Lake Park are a single community. For this city to go by a different time than the others cannot fail to cause a great amount of inconvenience. Whether the daylight "saved" in West Palm Beach would compensate for it, is greatly to be doubted.

In fairness to the public, and change in time that is made here should be uniform throughout the entire area. As a matter of fact time changes should be made on a State-wide basis, if at all. And that doesn't appear to be very likely in Florida. Members of the governor's cabinet are unable to agree as to its advisability and Governor Caldwell says he isn't interested.

Five States and parts of 18 others will go on daylight saving time April 28, according to the Associated Press. For the most part it will be confined to the larger cities.

That promises to be a headache for the transportation lines as well as for untold numbers of people. The best way for the City Commission to keep this community out of a mess is to leave the clocks as they are. Where does it get authority to order them set ahead anyway?—Palm Beach Post.

## Cinematic Chatter

By Malcolm Miller

Clever Peggy Ann Garner and personality plus Allyn Joslyn, together with a swell cast of featured players present a comedy romance for the offering at the Prince Theatre this coming Sunday-Monday.

This one tells the story of a romance that was nearly blasted, a business opportunity that was almost atomized and a young lover who almost went to jail, all due to a young teen-ager, through a misunderstanding, starting a rumor that spread like a forest fire. However before these events take place the situation is cleared up when the mistake is seen and the young lovers do get married. You'll love every bit of it!

For the Tuesday-Wednesday offering I see a very delightful comedy romance with Rosalind Russell and many other well known players lending the proper support. Situations that are impossible pile one on another until it begins to look like a hopeless proposition when things are cleared up by a few simple explanations and the right girl gets the right boy. I do recommend it!

With Alice Faye and Dana-And

rews as the stars, Linda Darnell, Charles Bickford, Bruce Cabot and a host of other well known Hollywood players lending excellent aid, "Fallen Angel", which moves into the Prince this Thursday-Friday for a two day run, should prove a delightful show to all lovers of romance with a bit of thrilling adventure and mystery mixed in it.

In accordance with the announcement that the management had managed to contract with all the major film companies, and that we would be seeing newer and better shows in the future, this Saturday starts the ball rolling on the Saturday double feature. This will mean, with the subjects that go to make up this program, that we will be sitting through a three hour show!

Duncan Renaldo, a dashing romantic character, comes in with "The Cisco Kid Returns", which is another delightful adventure in the life of this colorful character. You'll like this different Western picture.

On the same program comes Alan Ladd and Veronica Lake in "This Gun For Hire". This one tells the story of a ruthless killer, who is any man's trigger man for a price.

See you at the movies—Mal

## Farm Bureau Will Help Get Out Vote

ORLANDO—The Florida Farm Bureau reluctantly has abandoned its traditional policy of non-participation in civil elections and grimly announced its intention of waging an active campaign to get out the farmer vote in the coming primaries.

This action, taken by the state board of directors after a referendum conducted among the Bureau's component county organizations, comes as an answer to the challenge presented by the CIO-PAC.

Actions to be taken by the Farm Bureau are based upon the following Statement of Principle adopted last Saturday.

"The Florida Farm Bureau recognizes the right and believes it the duty of individual citizens to participate in the formulation of future policies of our Government thru the free election to office of men qualified to represent the best interests of all of the people.

"In preservation of that principle and in the interest of a free democracy, the Florida Farm Bureau condemns as undemocratic and will vigorously oppose the acts of any group or organization which thru political action attempts to coerce our elected officials into following the dictates of any group or organization by the threat of political reprisal."

## MEN'S BIBLE CLASS

Thanks to the addition of several within the past few weeks, the Pahokee Men's Bible Class now enjoys an enrollment of 132, just 68 short of the final objective of 200. With Easter Sunday just three Sundays away, the final campaign for the hoped for 150 in attendance will be conducted by the Membership Committee, E. Keen, Chairman. T. W. Knight is the assistant. The book "Goodby to G. I." has been received. Copies will be presented this Sunday to all ex-servicemen. The Class Quartet will favor with its usual program of fine harmony. The last in the series of lessons on "The Children of Israel" will be presented by the teacher, Rev. C. A. Moberg. What about the antichrist? Is he here now? Is the way being paved? These and other questions will be considered. A most cordial invitation is extended to all unaffiliated men of the community, visitors and service men, in or out of uniform.

## PAHOKEE BAPTIST CHURCH

Thanks to the fine spirit of cooperation on the part of the members and friends of the Pahokee Baptist Church, the Sunday School objective of 250 and the Training Union goal of 100 were reached last Sunday. Campaigns to maintain these averages plus are being led by Superintendent O. Gilbert and Mrs. W. M. DuBoise, respectively. The Ladies Quartet will sing this Sunday morning. The pastor, Rev. C. A. Moberg will continue his series of sermons on "The Sermon on the Mount", considering "Hallowed Be Thy Name." The pastor will present another of his piano selections. At the seven thirty hour, the pastor will preach on the next of The Baptist Articles of Faith, "Election." The orchestra and choir will augment the song service, and the "Illuminated Cross Meditation Sing."

## Rita Faye Hurt Has Birthday Party

Mrs. R. F. Hurt entertained at the Woman's Club building Friday evening with a party, honoring her daughter, Rita Faye, on her twelfth birthday anniversary. Spring flowers were used as party decorations. Bobby Mackey won the grand prize in the "treasure hunt" contest. The hostess was assisted by Mrs. V. Henderson, Mrs. Albert Snyder and Miss Peggy Moberg in the serving of refreshments of sandwiches, ice cream, cake and punch to 40 guests.

The Pahokee Woman's Club will conduct a luncheon meeting at the clubhouse on Tuesday at 12:15 p. m.

## THE RURAL TELEPHONE JOB AHEAD

WE are enlarging our rural telephone expansion activities just as rapidly as equipment and materials become available.

At many places we have to install more equipment at the central office, in addition to building telephone lines out into the rural areas, before we can furnish service.

At other places we even have to construct or enlarge buildings before we have space to install the central office equipment.

Much depends on how rapidly manufacturers can supply the necessary equipment and materials. However, we will continue to go forward with our rural telephone work as fast as conditions permit.

## Moberg Accepts P.T.A. President's Job For Next Year

Carl A. Moberg was re-elected president of the Pahokee Parent-Teacher Association at the annual election Monday evening. Under President Moberg's adroit guidance the Pahokee PTA is completing the most successful year in its history with a record-breaking membership of 526 and every member rejoices that he has consented to accept the responsibilities of the presidency for another year.

Other officers elected were Ned Koeber, first vice president; J. D. Rogers, second vice president; D. D. Caudill, third vice president; Mrs. A. D. Beverly, secretary and Mrs. W. P. Jernigan, treasurer. With this excellent slate of officers it looks like another big year ahead for the Pahokee PTA. Mrs. F. M. Wilson gave the report for the nominating committee.

At the business session the group voted a \$5 contribution to the City Recreation Council for incidental expenses. It was announced that applications for the position of school cafeteria manager will be accepted, as usual, up until the May meeting. The monthly attendance awards went to Mrs. Cleo Douthitt's third grade room at the elementary school and to the ninth grade at the high school, Mrs. Ralph Grimes and Clyde Alley, sponsors.

On the program Mrs. Frances Harlow, chairman, presented Bandmaster Robert O. Lampi and his Pahokee High School Band in a concert. Mr. Lampi introduced Henry Fillmore of Miami, president of the American Bandmasters Association, who acted as guest conductor for the last three numbers of the concert, two of which, "Orange Bowl March" and "Men of Ohio," were Mr. Fillmore's own compositions. Mr. Fillmore praised the band's performance and said the only suggestion for improvement he could offer was the inclusion of more bass instruments. Mr. Lampi was presented with

a gift as a token of appreciation for his work, John Dulany making the presentation in behalf of PTA. Pete deMoya and Paul Rardin launched a check-signing campaign at the meeting to raise funds to cover the expense of sending the band to the State Music Festival in St. Petersburg this week.

Refreshments of ice cream and cake were served during the social hour by Mrs. Frank Rozelle, Mrs. H. L. Jaudon, Mrs. G. B. Ramey, Mrs. Bob Henderson, Mrs. Homer Barnes and Mrs. O. O. Gilbert, hostesses. The hostesses were a little worried when they saw the big crowd that filled the auditorium but there were more than enough refreshments to go around.

## Celery Wise?

Most people agree there's nothing like a snappy stalk of celery to freshen up a snack or meal. And now with celery plentiful and reasonable all over the country, it's the right time to see how the family feels about variations:

**Stuffed.** For a fancy relish, stuff stalks with mixture of mashed avocado, horseradish, tabasco sauce, chopped walnuts; chill before serving.

**Stewed.** Cook peas with cubed celery, adding one-quarter cup cut toasted almonds just before serving. Or pep up creamed celery with silvers of cooked green peppers.

**Baked.** As an oven dish combine pieces of celery with carrot circles add milk or canned bouillon. Or combine cooked celery and cabbage in a rich cheese sauce, top with bread crumbs and chopped nuts; bake to a golden brown.

## Pahokee Scouts Get 30 New Uniforms

Thirty members of Pahokee Boy Scout Troop 23 received new uniforms at the meeting in the scout hut on Thursday night of last week and the remaining members of the Troop will be fitted for uniforms at the next meeting. Funds for the purchase of the uniforms were raised for the most part at benefit projects sponsored by the troop during the past winter. Scoutmaster Jack Phillips has made it a rule that scouts with uniforms must wear them at all official scout meetings in the future.

It was announced that a cook-out for all Boy Scouts, Cub Scouts and Sea Scouts of the North Glades District will be held on April 12, with J. V. Thomas, district chairman of camping and activities in charge of arrangements. Scoutmaster Phillips announced plans for forming drill squads within the troop.

## State Checking Up On 'Stable' Supplies

TALLAHASSEE—Comptroller J. M. Lee, head of a department responsible for examining and auditing all state accounts, wrinkled his forehead in puzzlement. He didn't have any idea why his office had spent \$1.25 during the last fiscal year on forage, stable and animal supplies—but he was going to find out immediately.

The expenditure was recorded in his annual report on Florida finances along with millions of dollars spent on such items as support of state institutions and salaries of state employees.

Lee dispatched one of his auditors to track down the item and told a querying reporter he shared the curiosity of the press. The auditor returned. It seemed the comptroller's office wasn't harboring any animals on the quiet. A negro errand boy had felt the need of a new strap for his mail bag. He was authorized to get one so he went shopping and found a horse's hitching rein would serve the purpose nicely.

He bought it, charged it, and the store duly submitted its statement, billing the state for one rein. The auditor who handled the item cast about for a suitable category in which to place it and decided upon "forage, stable and animal supplies."

So the alien listing showed up in the annual expenditures of a department constitutionally committed to "examining, auditing, adjusting and settling the accounts of all officers of the state."

Another interesting outlay was made by the 1945 legislature which spent \$50 on "bushes and shrubs." These turned out to be potted plants used to decorate the senate and house chambers on the opening day of the session.

Meanwhile, the department of education splurged \$150 on structural metals and ran up its disbursements by another fifty cents for "lumber and wood products."

Nearly all departments were conservative in their purchases of fiber and textile products, with the comptroller's office perhaps being the most economical in this regard. Lee's office parted with 20 cents for articles made of cloth.

Calvin Spooner, ARM 2-c, who is stationed in Miami, spent the weekend visiting his wife and parents in Pahokee.

## Mission Study By Circle On Thursday

Members of the Simonson-Lair Circle presented the first part of the Pahokee Methodist WSCS spring mission study at the church on Thursday afternoon of last week. The subject, "Cross Over Africa," was presented in a simulated school room with Mrs. Arch Blakey acting as instructor and Mrs. R. F. Hurt, Mrs. Ralph Stanley, Mrs. T. A. Ferguson, and Mrs. M. P. Holman, students. During a recess of the school period refreshments were served.

The second part of the WSCS mission study will be presented later this month by the Gertrude Shirley Circle. This year's study is in the form of a contest between the two circles and the circle judged to have made the best presentation will receive the proceeds from a silver tea given by the losing circles. Judges at the Simonson-

Lair presentation were Mrs. Abing and Mrs. Rogers.

## SLEEPERS RELEASED

CHICAGO—Government restrictions on Pullman sleeping car service put into effect last July to facilitate the handling of the war's heaviest military movements ended March 15.

With the return of 192 cars to overnight runs of 250 miles and less on 24 railroads throughout the country, all of the 898 sleeping cars withdrawn by the ODT from regular trains last July 15 for military use will have been restored to civilian service after hauling approximately 700,000 troops during the last eight months, George A. Kelly, vice president of the Pullman Company said.

## ISLAND TO SOCIETY

SILVER SPRINGS—At the 46th annual meeting of the Florida Au-

dubon Society, the National Society presented to the Florida Society an island in Orange Lake which is located in Marion and Alachua Counties.

The presentation of the island was made by Mr. John H. Baker of the National Audubon Society. The gift was accepted by Oscar Baynard of the Ross Allen Reptile Institute, Silver Springs, Florida.

Mr. Baynard assisted in the original purchase of the island thirty-five years ago and he has kept in close contact with the bird protection work on this island during that period.

In his speech of acceptance, Mr. Baynard gave a very interesting report on the progress of bird protection in the Orange Lake Sanctuary.

At present Mr. Baynard is the director of the Florida Wild Animal Exhibit and in charge of the Seminole Village at Silver Springs.

## Life On The Campus AT PAHOKEE HIGH SCHOOL

The two fifth grades had a  
Cleanliness Contest called The  
Ivory Inspection Patrol. The  
classes were divided into five  
teams, and the winners of each  
room were entertained with a pic-  
nic on the dike, by the losing  
teams—Mrs. Thomas and Mrs.  
Walston sponsored the contest and  
the picnic.

The entire Pahokee Elementary  
School has participated in packing  
Junior Red Cross boxes to be sent  
to the devastated countries of  
Europe. The contents of the boxes  
are soap, wash cloths, paper, pen-  
cils, toothbrushes, toothpaste, etc.  
Approximately 100 boxes are being  
sent from this school. Mrs. Har-  
low was in charge of this here at  
school.

Marian Jones and Jasper Reed  
were honored to interview Mr.  
Fillmore, President of the Ameri-  
can Bandmasters Association. Mr.  
Fillmore was born in Cincinnati,  
Ohio, and came to Miami, Fla. nine  
years ago for his health. Having  
had pneumonia twice, his doctor  
advised that the best place for his  
health was Florida. As Mr. Fill-  
more explained, he had been in-  
terested in music ever since he  
could walk. He has a music pub-  
lishing company in Cincinnati,  
but Mr. Fillmore does not compose  
music as often as he did when he  
was young. He is an intimate  
friend of Tschalkowsky and knows  
Toscanini. Mr. and Mrs. Fillmore  
have no children, but they are in-  
terested in all the children that  
are musically inclined. Mr. Fillmore  
praised our band conductor, Mr.  
Lampi, as a very fine director,  
not only in his opinion, but also ac-  
cording to many other great con-  
ductors. We enjoyed our interview  
very much, and in our minds Mr.  
Fillmore will always remain as a  
very fine conductor and composer  
of music. It is he who stages the  
massed band displays and concerts  
that go into the traditional Orange  
Bowl game for which he wrote the  
march, "Orange Bowl." His next  
musical service to the state will  
be at St. Petersburg where he will  
judge the ability of the high school  
bands to read music by sight.

The big day came for the Seniors  
of 45-46, last Friday. That day  
that all the seniors pay their trib-  
ute—Senior skip day. We, the  
seniors had a grand time and the  
weather was perfect for out out-  
ing. We left Pahokee, about 8:45  
and passed "ye old school", and  
gave our friends the good-bye  
wave, which is traditional. We  
stayed at Lake Worth Beach until  
we were salted like a cod fish and  
baked like ham, and left at 4:30.  
We stopped in West Palm and  
went through the L. S. T. which is  
docked in the river. It was won-  
derful sight! Miss Solick and your  
reporter were watching an illustra-  
tion of the Army vehicles moving  
by electricity and I walked over to  
look at another exhibit, leaving  
her to look and talk. She thought  
I was still there, but the people  
thought she was—You Know! after  
she told me, we had a big laugh.  
I think Coach Brown tried to take  
off in the Jap zero, they had on ex-  
hibition. After going through the  
L. S. T. we journeyed to Jupiter  
where we had rented two boats,  
for a cruise down the Loxahatchee  
River. We went about 14 miles  
down the river, ate on the bank  
where tables and a fine place was  
provided. Then we started back,  
it was a beautiful night. Everyone  
had a grand time. We all journeyed  
home worn to a frazzle, but  
never to forget the wonderful  
trip.

### HOME FROM GAINESVILLE

Mr. and Mrs. L. L. Stuckey re-  
turned to their home in Pahokee  
Sunday afternoon after spending  
several days in Gainesville, Fla.,  
attending to business. Mr. Stuckey  
is chairman of the Florida Vege-  
table Committee.

## 50 More Vets Join Pahokee Post 90 Of American Legion

Fifty more local veterans were received as new members of Fred and Percy Mansfield Post 90 at a meeting in the city hall Monday night. This raised the membership of Post 90 to nearly 200 which was the goal set in the current membership drive.

Post Commander J. S. Chastain announced plans for sending a group of six local veterans, three delegates and three alternates, to the State American Legion Convention in Fort Lauderdale. Hotel reservations have been made for this number, however, other members of the post are welcome to attend the convention, he said.

Louis Gold and Carmen Salvatore, Sr., of the building committee, were authorized to purchase a desirable lot which is to serve as the site for a Legion building and clubhouse for Post 90.

Melvyn Pugh and Dorsey Pugh reported that local business houses are furnishing uniforms for the Legion's junior baseball team and the Legion committee sponsoring the team was authorized to purchase balls, bats, gloves and other needed equipment. The Legion voted to also sponsor a town baseball team with all men in the community eligible to try out for the team.

A pamphlet, "Briefing the Veteran," which informs veterans how they can assist in controlling inflation, was distributed to each member attending the meeting.

The April meeting of the Canal Point Methodist WSCS, which was postponed a week, will be held at the home of Mrs. C. L. Stewart on Tuesday afternoon at 2 o'clock.

## Russell Morrow Is Lions Speaker

Russell O. Morrow, West Palm Beach attorney who is candidate for the State Legislature, was guest speaker at the Tuesday luncheon meeting of the Pahokee Lions Club. Mr. Morrow was a lieutenant commander in the Navy during the war and spent considerable time on duty in the Pacific area. The subject of his talk was "Japan and its People."

District Deputy Rupert Mock gave a report on the Lions District Deputy Governors' meeting which he attended recently in West Palm Beach and gave additional information concerning the Lions State Convention to be held in Jacksonville April 21-23.

The Lions voted to furnish uniforms for the town baseball team which the Legion is sponsoring. It was announced that a Lions zone meeting will be held at the Pahokee Lions Hall on Sunday, April 7, at 3 p. m.

Among the visitors were Jen Sun Huang and To En Saun, Chinese students from the University of Nanking, who as exchange students are studying agricultural methods in the Glades area. Miss Phyllis Rose of West Palm Beach, RDB representative, was also a visitor.

## Summer Program For Youth Center

An interesting recreation program through the summer months for both youth and adults in the Pahokee-Canal Point area is being arranged by C. S. (Steve) Brown, city recreation director.

At present Mr. Brown is planning the organization of a Sunday school softball league for junior boys, 9 to 12 years inclusive. He has written letters to the pastors of all local churches asking for their cooperation if they are interested in the formation of the league. A softball league for junior girls will also be organized if enough girls express their desire to participate in this type of recreation, he said.

Several boys of junior and senior high school age have requested that a softball league also be organized for senior boys. These boys and others interested are asked to contact Mr. Brown at the high school to work out plans for a senior boys league.

The Pahokee Lions Club has organized a men's softball team which is now ready to book games. Any independent men's softball team of South Florida that would like to play the Lions team are asked to write to Director Brown.

## Mrs. DuBose Named Head Of BPW Club

Tommie Lee DuBose was elected president of the Everglades Business and Professional Woman's Club at a meeting held at the home of the retiring president, Becky Starling, Tuesday night.

Other officers chosen for the coming year were Cleo Douthit, first vice president; Clark Hull, second vice president; Becky Starling, third vice president; Phara Mock, recording secretary; Lucille Williams, corresponding secretary and Alma Farrow, treasurer.

It was announced that the club's annual banquet and installation of officers will be held at Clewiston Inn on April 16.

## Christmas Party For Younger Olders

The younger older (whatever that means) group of the Pahokee First Baptist BTU went haywire and staged a Christmas party at the home of Mr. and Mrs. Horace Unwin the first of the week. Invitations were sent out on Christmas cards and as the guests entered the Unwin living room they were greeted by a large sign reading, "Merry Christmas and a Happy New Year." The house was decorated with the Yuletide motif and in one corner was a large decorated Christmas tree banked with gaily wrapped gifts. From archways hung sprigs of mistletoe for the younger older girls to blush under. It was a perfect Christmas party except for one respect—Santa Claus didn't show up. Why, we don't know, for he is getting younger in spirit and older in tradition every year.

Miss Clark Hull, president of the newly organized younger older, conducted ceremonies. Contest prizes were won by Mrs. Claude Jones, Bishop Starling and Miss Rethelle Logan. Mrs. W. M. DuBose, BTU director, was a guest.

The first course of refreshments, consisting of colored water and corn bread enticingly coated with cake icing, put the finishing touch on an astonishing evening of April 1 tomfoolery.

## Arthur Lynne Spooner Has Birthday Party

Arthur Lynne Spooner celebrated his fifth birthday anniversary at a party given by his mother, Mrs. Arthur C. Spooner, at their home in Pahokee last week.

Miss Hazel Todd assisted the hostess in the serving of refreshments of ice cream and cake to Johnny Adams, Charles Boles, Roland Todd, Larry Moore, Beverly Pitts, Buddy and Effie Lou Keen, Jeanette Spooner, Roger and Sharon Watson, Richard and Judy Shackford, Walter Ray and David Fountain, Susan Johnson, Brenda and Wayne Unwin, June Gant, Joan and Willadene Todd, Rose Marie Henderson and Anita Cowart; also Mrs. Elsie Unwin, Mrs. Allie Mae Watson, Mrs. Earle Pitts, Mrs. Owen Todd, Mrs. Dick Moore, Mrs. Ellsworth Keen, Mrs. T. S. Spooner and Mrs. Myers Fountain.

## Freddie Blakey Has Birthday Party

Mrs. Arch Blakey entertained at her home Friday afternoon with a party for her son, Freddie, on his seventh birthday anniversary. Spring flowers were used for party decorations. The hostess was assisted in the entertaining by Celesta Gant, Joyce Lynn Hurt and Charlotte Ann Cate. Freddie's first grade classmates and some neighborhood children were guests.

## Baptist Article Of Faith, No. 9 "God's Purpose Of Grace"

We believe that Election is the eternal purpose of God, according to which He graciously regenerates, sanctifies, and saves sinners; that being perfectly consistent with the free agency of man, it comprehends all the means in connection with the end; that it is a most glorious display of God's sovereign goodness, being infinitely free, wise, Holy, and unchangeable; that it utterly excludes boasting, and promotes humility, love, prayer, praise, trust in God, and active imitation of His free mercy; that it encourages the use of means in the highest degree; that it may be ascertained by its effects in all who truly believe the gospel; that it is the foundation of Christian assurance; and that to ascertain it with regard to ourselves demands and deserve the utmost diligence.

## State Checking Up On 'Stable' Supplies

TALLAHASSEE — Comptroller J. M. Lee, head of a department responsible for examining and auditing all state accounts, wrinkled his forehead in puzzlement. He didn't have any idea why his office had spent \$1.25 during the last fiscal year on forage, stable and animal supplies—but he was going to find out immediately.

The expenditure was recorded in his annual report on Florida finances along with millions of dollars spent on such items as support of state institutions and salaries of state employees.

Lee dispatched one of his auditors to track down the item and told a querying reporter he shared the curiosity of the press. The auditor returned. It seemed the comptroller's office wasn't harboring any animals on the quiet. A negro errand boy had felt the need of a new strap for his mail bag. He was authorized to get one so he went shopping and found a horse's hitching rein would serve the purpose nicely.

He bought it, charged it, and the store duly submitted its statement, billing the state for one rein. The auditor who handled the item cast about for a suitable category in which to place it and decided upon "forage, stable and animal supplies."

So the alien listing showed up in the annual expenditure of a department constitutionally committed to "examining, auditing, adjusting and setting the accounts of all officers of the state."

Another interesting outlay was made by the 1945 legislature which spent \$50 on "bushes and shrubs." These turned out to be potted plants used to decorate the senate and house chambers on the opening day of the session.

Meanwhile, the department of education splurged \$1.50 on structural metals and ran up its disbursements by another fifty cents for "lumber and wood products."

Nearly all departments were conservative in their purchases of "fiber and textile products," with the comptroller's office perhaps being the most economical in this regard. Lee's office parted with 20 cents for articles made of cloth.

## ISLAND TO SOCIETY

SILVER SPRINGS — At the 46th annual meeting of the Florida Audubon Society, the National Society presented to the Florida Society an island in Orange Lake which is located in Marion and Alachua Counties.

The presentation of the island was made by Mr. John H. Baker of the National Audubon Society. The gift was accepted by Oscar Baynard of the Ross Allen Reptile Institute, Silver Springs, Florida.

Mr. Baynard assisted in the original purchase of the island thirty-five years ago and has kept in close contact with the bird protection work on this island during that period.

In his speech of acceptance, Mr. Baynard gave a very interesting report on the progress of bird protection in the Orange Lake Sanctuary.

At present Mr. Baynard is the director of the Florida Wild Animal Exhibit and in charge of the Seminole Village at Silver Springs.

## SLEEPERS RELEASED

CHICAGO — Government restrictions on Pullman sleeping car service put into effect last July to facilitate the handling of the war's heaviest military movements ended March 15.

With the return of 192 cars to overnight runs of 250 miles and less on 24 railroads throughout the country, all of the 898 sleeping cars withdrawn by the ODT from regular trains last July 15 for military use will have been restored to civilian service after hauling approximately 700,000 troops during the last eight months. George A. Kelly, vice president of the Pullman Company said.

The safety bicycle was first placed on the market in 1887.

The state of Texas leads in the production of blackberries.
